

## Articles in Conference Proceedings etc

- Weighted Hardy spaces on a domain and its application, *Function Spaces, Differential Operators and Nonlinear Analysis, The Hans Triebel Anniversary Volume*, ed. by D. Haroske, T. Runst., and H.-J. Schmeisser, 2003, Proceedings of the conference held at Teistungen in June 2001, pp. 117–140.
- Weighted Hardy spaces on a domain, *Proceedings of the Second ISAAC Congress*, ed. by H. G. W. Begehr, R. P. Gilbert, and J. Kajiwara, 1999, Vol. 1, pp. 59–64.
- A generalization of a theorem of Hardy, *Chowa Kaiseki Seminar 1997* (Harmonic Analysis Seminar 1997), Proceedings of the seminar held at Izunagaoka in Dec. 1997, pp. 44–51.
- A real variable characterization of the Hardy space on the product domain, *Contributions to Complex Analysis and Complex Geometry, Proceedings of Workshop in Pure Mathematics*, ed. by C. Kim and Y. Shim, 1991, Vol. 11, Part II, pp. 125–129.
- Extension theorems for real variable Hardy and Hardy-Sobolev spaces, *Harmonic Analysis, ICM-90 Satellite Conference Proceedings*, ed. by S. Igari, Springer-Verlag, 1991, pp. 170–182.
- Estimates for pseudo-differential operators of class  $S_{\rho,\delta}^m$  in  $L^p$ ,  $h^p$ , and  $bmo$ , *Proceedings of the Analysis Conference, Singapore 1986*, ed. by S. T. L. Choy, J. P. Jesudason, and P. Y. Lee, 1988, pp. 177–187.
- A factorization theorem for the real Hardy spaces, *Proceedings of the Analysis Conference, Singapore 1986*, ed. by S. T. L. Choy, J. P. Jesudason, and P. Y. Lee, 1988, pp. 167–175.
